

# Sometimes efficiency just looks good

DESIGNED  
& MADE IN  
DENMARK

New member of the EDGE Family

We are proud to introduce the new Narrow Hand Brush with stiff filaments. Short stiff bristles, ideal for cleaning narrow spaces on

and around food processing equipment. Even more efficient, even more ergonomic and even more beautiful – Vikan EDGE

## Narrow Hand Brush EDGE Series

Hanging hole  
Easy-to-clean hanging hole.

Improved ergonomics  
Finger support delivers a better grip and prevents the brush from slipping in the hand.

Materials  
Meets FDA and EU food contact regulations.  
Designed and made in Denmark.

Comfortable grip  
Rounded underside of handle providing comfortable grip that supports your fingers when scrubbing.

Hygienic design  
Convex and rounded lines for easier brush cleaning.

EDGE product series  
Defined lines for visual reference to the EDGE product series and to provide a more comfortable grip for the user.

Improved access  
Angled filaments enable better access into crevices.

## Colour codes

4195x Stiff filaments
