

Sometimes efficiency just looks good

DESIGNED
& MADE IN
DENMARK

New member of the EDGE Family

We are proud to introduce the new Detail Brush with stiff and angled polyester filaments for easier cleaning into corners.

Even more efficient, even more ergonomic and even more beautiful – Vikan EDGE.

Detail Brush EDGE Series

Hanging hole
Easy-to-clean hanging hole.

Easier to clean
Rounded edges providing better hygiene - easier to clean.

Good support
The plane upper side of the handle provides a good support for the index finger.

Access to narrow areas
Narrow brush head (width 12 mm x length 38 mm) for easier access to narrow areas.

Materials
Meets FDA and EU food contact regulations.
Designed and made in Denmark.

EDGE product series
Defined lines for visual reference to the EDGE product series and to provide a more comfortable grip for the user.

Colour codes

4401 + colour code.

Stiff and angled
Stiff and angled polyester filaments for easier cleaning into corners.
