Why shadow boards?

Shadow boards are an effective and affordable way to ensure GFSI-compliant “5S” storage of your hygienic cleaning tools. Colour-coded for hygienic segregation, these boards keep your tools organised, clean and in good condition – saving you time and money every day. They also make it easier to stay on top of inventories, and to keep the auditors satisfied.

Get started with Vikan

Vikan Shadow Boards are a convenient and dependable way to get started with cleaning tool storage at your facility. Made from high-quality materials, they are sturdy, attractive and fully customisable to your specific cleaning-tool inventory and colour-coding scheme. For usage flexibility, we offer seven wall-mounted sizes and two (one or two-sided) mobile sizes.
