

# UST Hand Brush w/long Handle

395 mm, Hard, Green

Item Number: 41962

This ULTRA SAFE TECHNOLOGY (UST) long-handled Hand Brush comes with angled Filament Security Units for optimal cleaning of machines, buckets, containers and tubs in high-risk areas. All UST brushes feature a unique bristle system that minimises the risk of contamination and bristle loss.

## General Information

|                   |                                                  |
|-------------------|--------------------------------------------------|
| Bristle Stiffness | Hard                                             |
| Colour            | Green                                            |
| Material          | Polyester (PBT), Glass reinforced, Polypropylene |
| UNSPSC Code       | 47131605                                         |
| Country of Origin | Denmark                                          |

## Product Dimensions

|                        |        |
|------------------------|--------|
| Visible bristle length | 37 mm  |
| Product Length/Depth   | 395 mm |
| Product Width          | 70 mm  |
| Product Height         | 140 mm |
| Net Weight             | 0.2 kg |

## Packaging & Shipping Details

|                                                          |                |
|----------------------------------------------------------|----------------|
| Box Quantity                                             | 10 Pcs.        |
| Quantity Per Layer (Pallet)                              | 70 Pcs.        |
| Quantity per Pallet (80 x 120 x approx.180 cm)           | 630 Pcs.       |
| Box Length/Depth                                         | 430 mm         |
| Box Width                                                | 205 mm         |
| Box Height                                               | 175 mm         |
| Plastic Packaging (Recycling Symbol "4") LDPE per Pcs.   | 0.0058 kg      |
| Cardboard Packaging (Recycling symbol "20" PAP) per Pcs. | 0.0237 kg      |
| Total Tare Weight                                        | 0.0295 kg      |
| Gross Weight                                             | 0.23 kg        |

Item Number: 41962

## Compliance & Standard Details

|                                                                         |     |
|-------------------------------------------------------------------------|-----|
| Complies with (EC) 1935/2004 on food contact materials <sup>1</sup>     | Yes |
| Complies with EU Regulation 2023/2006/EC of Good Manufacturing Practice | Yes |
| Complies with FDA Regulation CFR 21 <sup>1</sup>                        | Yes |
| Complies with UK 2019 No. 704 on food contact materials                 | Yes |
| Complies with REACH Regulation (EC) No. 1907/2006                       | Yes |
| Complies with California Proposition 65                                 | Yes |
| Complies with Halal and Kosher                                          | Yes |
| PFAS intentionally added                                                | No  |

## Technical Data

|                    |        |
|--------------------|--------|
| Handle/Grip Length | 270 mm |
|--------------------|--------|

## Usage Limits

|                                                   |         |
|---------------------------------------------------|---------|
| Max. usage temperature (food contact)             | 80      |
| Max usage temperature (non food contact)          | 80      |
| Recommended sterilisation temperature (Autoclave) | 121     |
| Max. cleaning temperature (Dishwasher)            | 93 °C   |
| Max. drying temperature                           | 100     |
| Min. usage temperature <sup>3</sup>               | -20     |
| Max. pH-value in Usage Concentration              | 10.5 pH |
| Min. pH-value in usage concentration              | 2 pH    |

## Design & Patent Registration Details

|                         |                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------|
| Design Registration No. | EU 002189654-0001, EU 002650838-1-4, EU 002650580-1-7                                                      |
| Pat. Pending/Patent No. | EP2816930 validated in DE, FR, GB and DK. US9204712<br>EP2816929 validated in DE, FR, GB and DK. US9357831 |

## Sustainability Details

|                                                  |     |
|--------------------------------------------------|-----|
| Multimaterial Plastics Identification Code - "7" | Yes |
|--------------------------------------------------|-----|

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact

3. Do not store the product below 0° Celsius.
