

# UST Detail Brush

30 mm, Soft, Pink

Item Number: 5551301

The UST Detail Brush is designed for detail cleaning in dry environments where soft bristles are useful and hygiene is critical, such as when allergens are a risk. Also useful as a pastry or glazing brush in food handling applications, this brush delivers all the advanced benefits of Vikan's other Ultra Safe Technology (UST) cleaning tools.

## General Information

|                   |                                |
|-------------------|--------------------------------|
| Bristle Stiffness | Soft                           |
| Colour            | Pink                           |
| Material          | Polypropylene, Polyester (PBT) |
| UNSPSC Code       | 47131605                       |
| Country of Origin | Denmark                        |

## Product Dimensions

|                        |          |
|------------------------|----------|
| Visible bristle length | 57 mm    |
| Product Length/Depth   | 205 mm   |
| Product Width          | 30 mm    |
| Product Height         | 10 mm    |
| Net Weight             | 0.032 kg |

## Packaging & Shipping Details

|                                                          |                |
|----------------------------------------------------------|----------------|
| Box Quantity                                             | 10 Pcs.        |
| Quantity Per Layer (Pallet)                              | 240 Pcs.       |
| Quantity per Pallet (80 x 120 x approx.180 cm)           | 4800 Pcs.      |
| Box Length/Depth                                         | 260 mm         |
| Box Width                                                | 150 mm         |
| Box Height                                               | 75 mm          |
| Plastic Packaging (Recycling Symbol "4") LDPE per Pcs.   | 0.0017 kg      |
| Cardboard Packaging (Recycling symbol "20" PAP) per Pcs. | 0.0083 kg      |
| Total Tare Weight                                        | 0.01 kg        |
| Gross Weight                                             | 0.04 kg        |
| Cubic metre                                              | 0,000061 M3    |
| GTIN-13 Number                                           | 5705022009196  |
| GTIN-14 Number (Box quantity)                            | 15705028009272 |
| Customs Tariff Number                                    | 96039099       |

Item Number: 5551301

## Compliance & Standard Details

|                                                                         |     |
|-------------------------------------------------------------------------|-----|
| Complies with (EC) 1935/2004 on food contact materials <sup>1</sup>     | Yes |
| Complies with EU Regulation 2023/2006/EC of Good Manufacturing Practice | Yes |
| Complies with FDA Regulation CFR 21 <sup>1</sup>                        | Yes |
| Complies with UK 2019 No. 704 on food contact materials                 | Yes |
| Complies with REACH Regulation (EC) No. 1907/2006                       | Yes |
| Complies with California Proposition 65                                 | Yes |
| Complies with Halal and Kosher                                          | Yes |
| PFAS intentionally added                                                | No  |

## Technical Data

|                    |        |
|--------------------|--------|
| Handle/Grip Length | 120 mm |
|--------------------|--------|

## Usage Limits

|                                                   |         |
|---------------------------------------------------|---------|
| Max. usage temperature (food contact)             | 80      |
| Max usage temperature (non food contact)          | 100     |
| Recommended sterilisation temperature (Autoclave) | 121     |
| Max. cleaning temperature (Dishwasher)            | 93 °C   |
| Max. drying temperature                           | 100     |
| Min. usage temperature <sup>3</sup>               | -20     |
| Max. pH-value in Usage Concentration              | 10.5 pH |
| Min. pH-value in usage concentration              | 2 pH    |

## Design & Patent Registration Details

|                         |                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------|
| Design Registration No. | EU 002189654-0001                                                                                          |
| Pat. Pending/Patent No. | EP2816930 validated in DE, FR, GB and DK. US9204712<br>EP2816929 validated in DE, FR, GB and DK. US9357831 |

## Sustainability Details

|                                                  |     |
|--------------------------------------------------|-----|
| Multimaterial Plastics Identification Code - "7" | Yes |
|--------------------------------------------------|-----|

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact

3. Do not store the product below 0° Celsius.
