

# Hand Scoop

0.5 Litre, Green

Item Number: 56772

Lightweight and durable, this Hand Scoop features a one-piece construction that eliminates areas where bacteria can gather. Its smooth surface allows for easy cleaning, which makes it ideal for moving food ingredients or large quantities of food waste.

## General Information

|                   |               |
|-------------------|---------------|
| Colour            | Green         |
| Material          | Polypropylene |
| Country of Origin | Denmark       |

## Product Dimensions

|                      |           |
|----------------------|-----------|
| Content              | 0.5 Litre |
| Product Length/Depth | 310 mm    |
| Product Width        | 100 mm    |
| Product Height       | 100 mm    |
| Net Weight           | 0.12 kg   |

## Packaging & Shipping Details

|                                                          |                |
|----------------------------------------------------------|----------------|
| Box Quantity                                             | 15 Pcs.        |
| Quantity Per Layer (Pallet)                              | 120 Pcs.       |
| Quantity per Pallet (80 x 120 x approx.180 cm)           | 1320 Pcs.      |
| Box Length/Depth                                         | 380 mm         |
| Box Width                                                | 290 mm         |
| Box Height                                               | 175 mm         |
| Cardboard Packaging (Recycling symbol "20" PAP) per Pcs. | 0.018 kg       |
| Total Tare Weight                                        | 0.018 kg       |
| Gross Weight                                             | 0.14 kg        |
| Cubic metre                                              | 0,003100 M3    |
| GTIN-13 Number                                           | 5705020567728  |
| GTIN-14 Number (Box quantity)                            | 15705020567725 |
| Customs Tariff Number                                    | 39241000       |

## Compliance & Standard Details

|                                                                     |     |
|---------------------------------------------------------------------|-----|
| Complies with (EC) 1935/2004 on food contact materials <sup>1</sup> | Yes |
|---------------------------------------------------------------------|-----|

## Item Number: 56772

|                                                                         |     |
|-------------------------------------------------------------------------|-----|
| Complies with EU Regulation 2023/2006/EC of Good Manufacturing Practice | Yes |
| Complies with FDA Regulation CFR 21 <sup>1</sup>                        | Yes |
| Complies with UK 2019 No. 704 on food contact materials                 | Yes |
| Complies with REACH Regulation (EC) No. 1907/2006                       | Yes |
| Complies with California Proposition 65                                 | Yes |
| Complies with Halal and Kosher                                          | Yes |
| PFAS intentionally added                                                | No  |

## Technical Data

|                    |        |
|--------------------|--------|
| Handle/Grip Length | 140 mm |
|--------------------|--------|

## Usage Limits

|                                                   |         |
|---------------------------------------------------|---------|
| Recommended sterilisation temperature (Autoclave) | 121     |
| Max. cleaning temperature (Dishwasher)            | 93 °C   |
| Max. usage temperature (food contact)             | 100     |
| Max usage temperature (non food contact)          | 100     |
| Min. usage temperature <sup>3</sup>               | -20     |
| Max. drying temperature                           | 120     |
| Min. pH-value in usage concentration              | 2 pH    |
| Max. pH-value in Usage Concentration              | 10.5 pH |

## Sustainability Details

|                                                                     |     |
|---------------------------------------------------------------------|-----|
| The product can be sorted as Polypropylene (PP) for recycling – "5" | Yes |
|---------------------------------------------------------------------|-----|

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact

3. Do not store the product below 0° Celsius.
