

# Bucket

6 Litre, Green

Item Number: 56882

This durable 6-litre bucket can be used for cleaning or food storage. The bucket has a wide drip-free spout, a sturdy stainless steel hanger, and a bottom hand grip that is raised from the base and calibrated for a variety of measuring units. The flat side prevents spillage, and the bucket has its own wall bracket (16200) for storage.

## General Information

## Compliance & Standard Details

## Item Number: 56882

|                                                                         |     |
|-------------------------------------------------------------------------|-----|
| Complies with (EC) 1935/2004 on food contact materials <sup>1</sup>     | Yes |
| Complies with EU Regulation 2023/2006/EC of Good Manufacturing Practice | Yes |
| Complies with FDA Regulation CFR 21 <sup>1</sup>                        | Yes |
| Complies with UK 2019 No. 704 on food contact materials                 | Yes |
| Complies with REACH Regulation (EC) No. 1907/2006                       | Yes |
| Complies with California Proposition 65                                 | Yes |
| Complies with Halal and Kosher                                          | Yes |
| PFAS intentionally added                                                | No  |

## Usage Limits

|                                                   |         |
|---------------------------------------------------|---------|
| Recommended sterilisation temperature (Autoclave) | 121     |
| Max. cleaning temperature (Dishwasher)            | 93 °C   |
| Max. usage temperature (food contact)             | 100     |
| Max usage temperature (non food contact)          | 100     |
| Min. usage temperature <sup>3</sup>               | -20     |
| Max. drying temperature                           | 120     |
| Min. pH-value in usage concentration              | 2 pH    |
| Max. pH-value in Usage Concentration              | 10.5 pH |

## Design & Patent Registration Details

|                         |                                       |
|-------------------------|---------------------------------------|
| Design Registration No. | EU 002364190-1-8, GB 90023641900001-8 |
|-------------------------|---------------------------------------|

## Sustainability Details

|                                                                     |     |
|---------------------------------------------------------------------|-----|
| The product can be sorted as Polypropylene (PP) for recycling – "5" | Yes |
|---------------------------------------------------------------------|-----|

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact

3. Do not store the product below 0° Celsius.
