UST Tank Brush, 190 mm, Hard, Blue

Designed to incorporate Vikan's patented Ultra Safe Technology (UST), this industrial tank brush offers unparalleled bristle security and hygiene. Its seamless, easy-to-clean design minimises the risk of contamination, making it an ideal tool for tank cleaning in dairies, breweries, wineries, and other food and beverage production facilities. It has been designed with angled bristles to facilitate optimal cleaning, and wide drainage holes that prevent water pooling and aid drying during storage. This UST tank scrub offers the ultimate in scrubbing efficacy, durability, and hygienic design, and is a perfect fit for any colour-coded cleaning system. The UST bulk tank brush is compact and lightweight, making it perfect for cleaning the insides of complex equipment like mixers and blenders. It can also be used to clean tanks, vats, pipes, large food-contact surfaces, silos etc.

All UST brooms and brushes feature a unique bristle system that minimises the risk of contamination and bristle loss.

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact
