

39513

## Detail Brush with Scraping Edge, 150 mm, Hard, Blue

A very effective detail brush. The solid scraping edge is suitable to loosen very stubborn dirt from surfaces. The flat hand grip offers a good support and control in your hand for a variety of cleaning tasks.

Extra force can be applied during scrubbing by pressing your forefinger down on the brush head during cleaning.

# Technical Data

|   |                                  |
|---|----------------------------------|
| Item Number   | 39513                            |
| Bristle stiffness   | Hard                             |
| Visible bristle length  | 20 mm                            |
| Material  | Polypropylene Polyester          |
| Complies with (EC) 1935/2004 on food contact materials <sup>1</sup>     | Yes                              |
| Complies with EU Regulation 2023/2006/EC of Good Manufacturing Practice | Yes                              |
| Complies with FDA Regulationl CFR 21 <sup>1</sup>                       | Yes                              |
| Complies with UK 2019 No. 704 on food contact materials                 | Yes                              |
| Complies with REACH Regulation (EC) No. 1907/2006                       | Yes                              |
| Complies with California Proposition 65                                 | Yes                              |
| Complies with Halal and Kosher  | Yes                              |
| PFAS, Phthalates and BPA intentionally added                            | No                               |
| Design Registration No.   | EU 008554125-0002,<br>UK 6139372 |
| Box Quantity  | 10 Pcs.                          |
| Quantity per Pallet (80 x 120 x 180-200 cm)                             | 4600 Pcs                         |

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact
3. Do not store the product below 0° Celsius.
